Parish

Dear Parishioners,

On behalf of the priests of the Disciples of the Hearts of Jesus and Mary, as well as the St. Mary Parish & School faculty and staff, I am pleased to provide you with the actual results of operations for the 2022/2023 fiscal year ending June 30, 2023. I encourage you to take a moment to study this report so that you more fully understand how the resources we receive through your offertory and other gifts are utilized in ministering to our parish and school (reverse side). More importantly, after reading this report, you will see how crucial your gift was to the fruitfulness of our programs last year. It is with much hope that I look to your increased generosity this year so that our parish family may continue to flourish.

With hope,

School

Dear St. Mary Community,

This past year, our school officially became St. Mary Virtue School. This means that we focus on excellence in all areas of student life, through character building aimed to not only increase our intelligence but also our holiness. Excellence is our goal in every area of our school, from our newly expanded SMARTS afterschool enrichment program to our core curriculum and related arts to providing the best value for our families in the education of our children. Through fundraising, grants, and support from St. Mary Parish, we have been able to keep our tuition below the actual cost to educate our students. Please review the financial information below and consider St. Mary School for your children! Our dream is to provide our quality Catholic education to every St. Mary child.

In Mary, Christ.

Fr. James de Cendra, DCJM, Principal
